"Rules of Play"

Rules of Play:

Except otherwise provided here, the rules will be the FIFA "Laws of the Game" and shall apply to any and all competition sponsored by this league.

- ? Both team captains will have final say in any disputed call. Any call not agreed upon will result in a drop ball.
- ? The player closest to a play will call offsides or fouls
- ? Substitution may be made on the fly. All players should play a minimum of half a game.
- ? Slide tackling is prohibited and any caused violation will result in a free kick from the point of the infraction.
- ? An obvious intentional handball to prevent a goal shall be counted as a goal.
- ? All fouls committed outside of the penalty area will result in an indirect free kick from the point of the infraction.
- ? Participation in a play will not be a consideration for offsides. If a player is in an offsides position, they will be offsides regardless of participation.
- ? When a foul is committed inside the penalty area, the ball will be moved to the penalty area line parallel to the goal line, at the point nearest where the foul was committed, for a direct free kick.
- ? Players guilty of fighting before, during or after games shall receive a one year suspension from the time of the incident. If a second player reciprocates he shall also be suspended.

Keep in mind that this is a recreational league and some players have not played soccer before or are in experienced. Make only the obvious calls in the interest of keeping the game going. Nobody likes to play a game that is being stopped constantly for questionable calls.
